Narrative text

Captain Barrett and Detective White of the Denton County Sheriff Office met with Director Shackleford and Sgt. Howard ("R/O") on January 09, 2019, at the Oak Point Department of Public Safety. They had received text messages and an audio recording from Special Agent Palomino of the Joint Terrorism Task Force of a communication between Jason Lee VanDyke (V ANDYKE) and Isaac Marquardt, a former roommate of VANDYKE's in part of 2018. (Both VANDYKE and Marquardt are known to R/O from a previous case where VANDYKE was a suspect.) Special Agent Palomino told Captain Barrett and Detective White that Isaac Marquart recorded the conversation between himself and VANDYKE at VANDYKE's home at 108 Durango Drive, Aubrey, Texas in November 2018. The text messages which were reproduced as screen shots on Isaac Marquardt's phone, showed they occurred November 2, 2018 thru December 16, 2018 and were also between Isaac Marquardt and VANDYKE.

Director Shackleford and R/O were provided copies of the text messages and audio recording. R/O and Director Shackleford reviewed the recording and heard a voice identified by Barrett as VANDYKE tell Isaac Marquardt about steps he had taken to locate and do surveillance on Tom Retzlaff for the purpose of doing him harm. Tom Retzlaff is a witness in a case scheduled to go before the Texas State Bar regarding VANDYKE's law license according to a representative of the State Bar. R/O and Director Shackleford spoke with Isaac Marquardt who said that VANDYKE has an office located in one of the spare bedrooms of his house where he kept his computer and notes. Isaac told R/O and Director Shackleford that during the conversation that he had recorded with VANDYKE, VANDYKE had read off a yellow legal pad.

As R/O and Director Shackleford listened to the recording it revealed VANDYKE had two separate plans one of which ended in the death of Tom Retzlaff by VANDYKE and the other a series of acts which he believed would terrorize Retzlaff and two other victims, forcing them to live in fear of when he would show up. On the recording, VANDYKE said that he had spent the better part of the week planning it and he had satellite photos through Google Earth and members of the Proud Boys Arizona Chapter on the ground doing surveillance on Tom Retzlaff. Also on the recording, VANDYKE said he knows where Tom Retzlaff residence is located and describes it as a highrise in the center of Phoenix. The recorded conversation also mentions a background check that was done and that VANDYKE's people on the ground have recent photographs of Tom Retzlaff.

Affiant is **Michael Shackleford** who is a certified peace officer of the State of Texas employed by the Oak Point Department of Public Safety. Affiant's probable cause for the above belief is based upon the following facts and sources of said facts:

On January 10, 2019, Director Shackleford reviewed a sworn Affidavit provided by Tom Retzlaff. The Affidavit contained two supporting emails.

The DEFENDANT is an attorney licensed to practice law in the State of Texas. Tom Retzlaff filed a grievance against the DEFENDANT with the State Bar of Texas in December 2017. Accordingly Tom Retzlaff is a witness or prospective witness in a case scheduled to go before the Texas State Bar regarding the DEFENDANT's law license. Ms. Kristin Brady is Assistant Disciplinary Counsel to the State Bar assigned to the proceeding against the DEFENDANT.

Tom Retzlaff received two threatening emails from the DEFENDANT on December 12, 2018. The two email attachments according to Tom Retzlaff were true and correct copies sent from the DEFENDANT to him.

The first email sent Wednesday, December 12, 2018 at 8:00:21 AM showed the DEFENDANT writing Tom Retzlaff, "I promise you this motherfucker: If my law career dies, you die with it". You have destroyed my life, and for that

offense, you will pay with your own. That's not a threat. That's a PROMISE motherfucker".

Wherefore, premises considered, the Affiant respectfully requests that a warrant be issued for the arrest of **VanDyke, Jason Lee (W/M [REDACTED])** to answer for the Felony offense of Obstruction or Retaliation (P.C. 36.06) in accordance with the laws of the State of Texas;

5. Affiant has probable cause for the above belief by reason of the following facts:

Affiant is **Brian Howard**, a certified peace officer with the **Oak Point Department of Public Safety.**

Affiant's probable cause for the above belief is based upon the following facts and information:

Captain Barrett and Detective White of the Denton County Sheriff Office told Affiant that on January 09, 2019, they received text messages and an audio recording from Special Agent Palomino of the Joint Terrorism Task Force of a communication between Jason Lee Van Dyke (VANDYKE) and Isaac Marquardt. Special Agent Palomino told Affiant that Isaac Marquardt, a person known by Affiant to associate with VANDYKE and to have lived with VANDYKE in part of 2018, told Barrett and White that he recorded the

conversation between himself and VANDYKE at VANDYKE's home at 108 Durango Drive, Aubrey, Texas in November 2018. The text messages which were reproduced as screen shots on Isaac Marquardt's phone, showed they occurred November 2, 2018 thru December 16, 2018 and were also between Isaac Marquardt and VANDYKE.

Later January 9, 2019, Director Shackleford and Affiant were provided copies of the text messages and audio recording. Affiant and Director Shackleford reviewed the recording and heard a voice identified by Barrett as VANDYKE tell Isaac Marquardt about steps he had taken to locate and do surveillance on Tom Retzlaff for the purpose of doing him harm. Tom Retzlaff is a witness in a case scheduled to go before the Texas State Bar regarding VANDYKE's law license according to a representative of the State Bar. On the recording, VANDYKE said that he had spent the better part of the week planning it and he had satellite photos through Google Earth and members of the Proud Boys Arizona Chapter on the ground doing surveillance on Retzlaff. Also on the recording, VANDYKE said he knows where Tom Retzlaff residence is located and describes it as a highrise in the center of Phoenix. The recorded conversation also mentions a background check that was done and that VANDYKE's people on the ground have recent photographs of Tom Retzlaff.

On the recording, Affiant heard VANDYKE says that Tom Retzlaff has a PO Box and there is a significant number of cameras where he could not set up and get a clean shot with a rifle at Retzlaff. VANDYKE also speaks of "taking out" Retzlaff's attorney and another individual VANDYKE called "the dentist".

On January 10th, 2019, Director Shackleford reviewed a sworn Affidavit provided by Tom Retzlaff. The Affidavit contained two supporting emails that supported the retaliation charge that were sent to Tom Retzlaff from VANDYKE. According to Tom Retzlaff the two emails are true and correct copies.

The first email sent Wednesday, December 12, 2018 at 8:00:21 AM appears to show VANDYKE writing Tom Retzlaff "I promise you this motherfucker: If my law career dies, you die with it". Ms. Kristin Brady is Assistant Disciplinary Counsel to the State Bar assigned to the grievance proceeding against VANDYKE. Ms. Brady was copied on this email from VANDYKE'S email address. The second email sent Wednesday, December 12, 2018 at 8:01:42 AM appears to show VANDYKE writing Tom Retzlaff "Go fuck yourself and what's left of your miserable life. You have destroyed my life, and for that offense, you will pay with your own. That's not a threat. That's a PROMISE motherfucker".

On January 11, 2019, Director Shackleford petitioned for and received a warrant of arrest for VANDYKE for Obstruction or Retaliation in violation of Section 36.06 of the Texas Penal Code. VANDYKE was served the warrant while housed in the Denton County Jail. Affiant believes evidence to support said offense will be located in above location.

Based on the above, the Affiant has probable cause to believe that Jason Lee Vandyke has committed the offense of obstruction or retaliation in violation of Section 36.06 of the Texas Penal Code. Evidence to support said offense will be located in above location.

WHEREFORE, Affiant asks for issuance of a warrant that will authorize him to search said **108 Durango Drive Aubrey Texas** for the said **EVIDENCE**, namely, **Computer, Laptop, Electronic Data Storage Devices, Cellular Phone, Maps, Photographs and Writings**, and seize the same.

- c. Based upon your Affiant's knowledge, training, and experience along with the experience of other law enforcement personnel with whom Affiant has consulted on this issue, your Affiant knows that effective searches and seizures of evidence from computers commonly require law enforcement officers to seize the items and then process these items later in a controlled laboratory environment. This is true because of the following: computers are storage devices (hard disks, memory) and can store the equivalent of hundreds pages of information. When users desire to conceal criminal evidence, they often store the information in random order with deceptive file names. Directories and subdirectories that contain these files can also be electronically hidden from normal view. Special forensic software is required to detect these hidden directories. This requires that searching authorities examine all the stored data to determine whether it is included in the search warrant. This sorting process can take weeks or months, depending on the volume of data stored. This would make it impractical to attempt this kind of forensic analysis on site at the time of search warrant execution. Searching computers for criminal evidence is a highly technical process requiring expert skills in a properly controlled environment. The vast array of computer hardware and software available requires even computer experts to specialize in some systems and applications. It is difficult to predict before a search which expert should analyze the system and its data. The search of a computer is an exacting scientific procedure which is designed to protect the integrity of the evidence and to recover even hidden, erased, compressed, password protected, and/or encrypted files. Since computer evidence is extremely vulnerable to tampering or destruction from both external sources or from destructive codes imbedded in the system in the form of a "booby trap," the controlled environment of a forensic laboratory is essential to its complete and accurate analysis and retrieval. Therefore Affiant respectfully request to remove the computer from the Oak Point Department of Public Safety for the purpose of examination by such experts.
- d. In addition, there is probable cause to believe that the computer and its storage devices, as well as all internal and external storage devices are all instruments used in the commission

of this crime and should be searched as such.

WHEREFORE, based on the facts, circumstances and the information noted in this document, Affiant asks for issuance of a warrant that will authorize him to search said suspected place and premises for said personal property and seize the same.

A handwritten signature in black ink, appearing to read "Brian M. Vandyke". Below the signature, the word "AFFIANT" is printed in capital letters.

Subscribed and sworn to before me by said Affiant on this the

24th day of January, 2019.

JUDGE PRESIDING
362ND DISTRICT COURT
DENTON COUNTY, TEXAS

AFFIDAVIT OF TOM RETZLAFF

On this day, Tom Retzlaff appeared before me, a Notary Public, and after I administered an oath to him, upon his oath, he said:

1. "My name is Tom Retzlaff. I am more than 18 years of age and capable of making this affidavit. I have personal knowledge of the facts and matters set forth herein, which are true and correct.

2. On Wednesday, December 12, 2018, I received two emails from Jason Lee Van Dyke, which I took to be specific threats to murder me on account of my being a witness against him for the State Bar of Texas in a disbarment proceeding styled *Texas Comm'n for Lawyer Discipline v. Jason Lee Van Dyke*, Case No. 201707583, pending before the District 14 Grievance Committee – Evidentiary Panel 14-2, in Denton County, Texas. This matter is set for trial on February 22, 2019. Kristin Brady is the prosecutor for the Office of Disciplinary Counsel in this case.

3. Furthermore, I believe that these threats were made in retaliation against me on account of my status as being a defendant and witness in a SLAPP lawsuit filed by Van Dyke against me in which he is suing me for \$100 million claiming that I defamed him in my State Bar grievances and in supposedly causing him to lose his job as an Assistant District Attorney with Victoria County, Texas, last March 2017. I am being represented by the Hanszen Laporte law firm in Houston and Jeffrey Dorrell is my lead attorney. He is an expert in First Amendment law, having won numerous cases before both the Texas Supreme Court and the U.S. Supreme Court. That case is currently pending before U.S. District Court Judge Amos Mazzant of the Eastern District of Texas – Sherman Division in Case No. 4:18-cv-00247. Additionally, last month Van Dyke filed an additional identical lawsuit against me that is currently pending in the federal court in Arizona, Case No. 2:18-cv-04003. A motion for anti-SLAPP sanctions is pending in both of those federal courts and we are seeking a million dollars in sanctions and reimbursement of my attorney's fees.

4. On December 3, 2018, in an acknowledgement that we will win these sanctions motions, Van Dyke filed motions in each of those courts seeking the dismissal of both of his lawsuits in the hopes of escaping sanctions (which isn't going to happen).

5. But now there has been a lot of negative publicity in both the local Denton news media, but internationally as well, regarding these SLAPP lawsuits and Van Dyke's leadership role with a violent white supremacist organization called the *Proud Boys*. I understand that this culminated with a decision by the President of the University of North Texas to have Van Dyke removed from his former role as an instructor for the UNT Marksman student gun club.

6. Attached are true and correct copies of the two emails I received from Van Dyke, along with the email "header" information.

7. An email consists of three vital components: the envelope, the header(s), and the body of the message. The envelope is something that an email user will never see since it is part of the internal process by which an email is routed. The body is the part that we always see as it is the actual content of the message contained in the email. The header(s), the third component of an email, contains the particular routing information of the message and shows the originating IP address and email account. Which, in this case, is 96.226.87.77 and "jason@vandykelawfirm.com".

8. Receiving these emails made me very concerned, angry, and afraid. A month ago, I learned that Van Dyke had just been made the leader of the *Proud Boys*. I have read several news articles about the *Proud Boys* which state it has over 10,000 members all across the country, and that the FBI and law enforcement consider them to be an extremist group with ties to white nationalism. I have read several news articles about acts of political and racial violence caused by members of the *Proud Boys* and how many of its members have been arrested for acts like riot and assault. Van Dyke frequently posts photos of himself on social media handling assault-style rifles along with messages threatening people with violence and death. In my opinion, Van Dyke is a crazy person capable of anything."

FURTHER AFFIANT SAYETH NOT.

TOM RETZLAFF
